

Worship

Worship is ultimately what the Christian life is all about. We believe that worship is so much more than simply singing a few songs during a service; It is a life that is being lived as a living sacrifice before God. As we live our lives for Jesus, we will love and serve others simply because we want to love Jesus. This is true worship. As we gather together as a body of believers, we seek to demonstrate this worship through communal singing, serving, prayer, and giving. We are always looking for people whose gifting to serve is only surpassed by their heart to do so. If you believe God has gifted you in the use of music for worship, please talk to Stewart White. 541-550-0070 stewart@calvarycrookcounty.com

Helping Hands

Helping Hands is a ministry that was started to give people an opportunity to use their time and talents to meet the needs of people both inside and outside the church. Past events have included fence building, leaf raking, and landscaping. A group gets together and heads over to a house or location and does a job for them, just to be a blessing. If you'd like to get involved, contact Kevin Vaughan: 541-408-7767 kvaughan@crestviewcable.com

Missions

Calvary Chapel of Crook County has served in missions in several capacities. We have supported the local mission field through assisting in church planting, both in giving of time and finances. We have also been involved in the global mission field, particularly through various trips to Mexico. If you are interested in Missions contact us at: info@calvarycrookcounty.com

2forty2 Home Groups

The vision for 2forty2 Home Groups is that we would go beyond the walls of the church and enter into a more intimate relationship with Jesus by gathering together in home groups that are spirit filled and led. In acts 2:17 we are told of God's promise to pour out His Spirit on all flesh. We are all given spiritual gifts that we need to develop and use. Home Groups give the opportunity to go beyond the church building in establishing relationships and using our gifts through things like sharing a meal, getting to know each other, praying for one another, and sharing in His word. A Message from Pastor Ryan

Calvary Chapel of Crook County began with a handful of people meeting in a home in the fall of 2001. We officially launched our Sunday morning services in May of 2002. It has been exciting to see God lead us each step of the way and faithfully add to our numbers and provide for our needs.

Our focus and vision at Calvary is really 3 fold:

- **To bring glory to Jesus** (1 Cor. 10:31). This pervades everything we do. Every service and event we do must be motivated by and directed toward bringing Jesus Christ glory and honor.
- **To draw people closer to Jesus** (Eph. 4:11-16). The purpose of our corporate gatherings is to bring believers into a deeper and more intimate relationship with Jesus. It is through this intimacy that we believe real and effective ministry takes place.
- **To reach our community for Jesus** (Acts 2:40-47). Our desire is to take the amazing message of the gospel to our lost community. We do not want our church to become an insulated bubble in which we exist simply for the edification of Christians. We believe this is most effectively accomplished as lovers of Jesus live out their faith in their sphere of influence and boldly proclaim the gospel when given opportunities.

How do I get involved?

The leadership of Calvary Chapel of Crook County thanks you for your interest in the ministries we are so blessed to be involved in. It is our conviction that the ministry is not about professionals filling the needs of the ministry, but rather, the love of Christ filling the hearts of the people involved in those ministries. We want to make the opportunity to get involved available to all whose heart is toward ministering the gospel to people. We believe that the Spirit of God empowers us to serve Jesus by giving us the heart and the abilities to minister. If you would like to get involved, please speak to a ministry leader.

Get to Know the Ministry

Men's Ministry

Men's Ministry is one of the most crucial areas of a church. When men are ministered to, it yields amazing fruit. As men are bringing their lives under the authority of Jesus Christ, they begin to live in the definition of masculinity which God created them for, and not in the world's definition of masculinity.

Here at Calvary Chapel our men's ministry has a three-fold emphasis:

- **To draw men to Jesus Christ, and bring men into church fellowship.**
- **To disciple men in the Word of God, and the life lived by the Spirit.**
- **To raise men up to roles of leadership within the church body.**

Women's Ministry

Our heart for the women of Calvary is that each one would grow in the grace and the knowledge of our Lord Jesus. (2 Peter 3:18)

We offer different Bible studies throughout the year, special events like our Christmas Tea, and our yearly retreat in which the ladies can get away and be refreshed as they fellowship and are challenged by the teaching of our guest speakers. We also have ladies prayer meetings and ladies breakfasts. In the summer we have a secret sister program. We also have a meals ministry to help a family who has welcomed a new baby or is recovering from surgery.

There are many opportunities for you to get involved in women's ministry. If you are interested in getting involved, contact Andrea Couch:

Children's Ministry

Children's ministry effects the lives of so many souls; It is every bit as crucial as the ministry that is happening in the sanctuary. We have ministry from nursery-fifth grade for each service. Our goals for the children are as follows:

- **To have a relationship with Jesus Christ. To achieve this the children learn Who Jesus is through the Gospels.**
- **To apply the love of God to their lives through the Word.**
- **To have fun! We engage the children through fun stories, games, crafts, and snacks.**
- **To have the children join their parents in the sanctuary. Upon completion of Sunday school.**

All of these things require servants who have a heart to minister to kids. If this is you, contact Mark Richards:

Senior's Ministry

Seniors Serving Our Savior, or S.S.O.S., is the seniors ministry at Calvary Chapel of Crook County. The ministry of SSOS involves several levels:

- **Every Monday, Fall-Spring, we hold a seniors Bible study at the church, from 7-8:30pm.**
- **Once a month we lead a service at the Ochoco Care Center from 4-5pm.**
- **Once a month we serve lunch at the Senior Center.**
- **Once a month we serve lunch at the Oasis Soup Kitchen.**

In all of these it is our desire to do more than simply reach into our own group, but to reach out to the surrounding community in love and service.

Reality Student Ministry

Reality takes their name from Colossians 2:17, which says:

"These rules are only a shadow of the reality to come. And Christ Himself is that reality". NLT

Christ is the reality that we fix our hope on. It is our desire to demonstrate the hope that we have in Jesus Christ to the youth of Prineville, in a way that is relateable and relevant. We accomplish this by providing a place for the students to meet on Tuesday nights, where we can fellowship, worship Jesus, and learn from the teaching of scripture. We firmly believe that God desires to capture the hearts of the youth in our city, in order that He might change them into vessels of joy and honor; dedicated to serving Jesus Christ. If you have it on your heart to reach out to the youth, contact the Youth Pastor, Chad Carpenter:

The Oasis Soup Kitchen

The Oasis Soup Kitchen was aquired by Calvary Chapel of Crook county at the beginning of 2008, at which point, Brandi Avery came on staff as the manager. Since this time we have seen tremendous opportunities to minister to those in need in our community by providing a place for a meal, warm clothes during the colder seasons, and fellowship with people who genuinely care.

The Oasis is supported entirely by donations, both from within and without the church. All of the food is supplied by donations from local grocery stores, and by people like you.

It is open six days a week, with a rotating staff of volunteers, without which, this ministry would not be possible. If you would like information about how you can get involved in the Oasis, contact Brandi Avery:

Annual Ministries

SonFest Summer Festival

The first SonFest festival was held in the summer of 2005 as a way to reach out to the community in a non-church setting. It has continued each year since, and has become a much anticipated event in the community. To get involved with SonFest you can talk to Chad Carpenter.

Quest Outdoors

Quest Outdoors is a ministry with the intent of reaching out to the sportsmen and hunters of the area through our annual Sportsmen's Banquet, and various other events throughout the year. For more information, contact Shawn Jones: shawn@calvarycrookcounty.com
